Now we get this!! I just have to laugh :)
Yes, this is definitely would be helpful. Not sure if you are uploading the EDDs into a SCRIBE database or if you need us to.

Location is Williamsport, but I don't know yet if it will be at the Regional Office or another local venue. Does the afternoon

of Wednesday, March 21st work for your team? If so, I'll just set aside an hour for a presentation and Q & A starting at 1 PM.

I'm sending the Excel files I have. They are smaller than I thought, so they should go through without issue. They also have some plots and sub-tables that can be accessed by selecting the different tabbed worksheets. Please let me know if you have any problems with the attachments. Thanks.

Still planning to take part...Just let us know when and where.. Thanks!

PS. We have a contractor trying to scan in the files you sent on Dimock..Could you send them in an Excel or EDD format so they can read them into the data system they are trying compile from all the different sources??

Hi Karen,

Just wondered if you were able to confirm Steve and/or Dave's availability for our March 21st-22nd Tech Services Meeting, the details of which are below. Thus far, we have speakers scheduled for March 22nd at 10 AM and 11 AM. As far as I know, all the other times are still available. Thanks.

Good Morning Folks,

Our Tech Services Meeting will most likely be held on March 21 and 22, 2012 in Williamsport. There will be an afternoon session from 12 to 4 on day 1, and a morning session from 8-12 on day 2. I know this is a few months away, but we are attempting to develop an agenda and confirm speaker availability. If possible, please determine your availability and let me know about how much time you will need for your presentation. Thus far we have one 60 minute spot filled on March 22 at 10:00 AM.

Please also let me know what the tentative title is for your presentation. Thanks very much for your interest in presenting and happy holidays to all of you!
